The Canada Our World Needs”**

**Vancouver Public Aquarium, Stanley Park  
Thursday, October 11<sup>th</sup>, 6 pm**

*“British Columbia is booming. Canada is poised for greatness. It is time for us to address the challenges we still face: developing our resources in a sustainable economy, harnessing our brain power, exerting our leadership on the world stage, and making sure that every Canadian gets the chance to realize his or her potential.”*

**Michael Ignatieff**, September 2007  
Member of Parliament (Etobicoke-Lakeshore)

Michael Ignatieff knows the challenges we face as Canadians. He put himself forward to lead the Liberal Party and Canada last year, and in doing so he made a profound commitment to all Canadians. Canada needs leaders of Michael’s stature, abilities and vision. In order to attract and keep his caliber of leadership, we need to stand behind Michael Ignatieff for the financial obligations he made on our behalf while seeking to represent our aspirations and to lead Parliament and the country.

Join with us at one of Vancouver’s favourite landmarks for a major address by an exceptional thinker who today is one of Canada’s leading public intellectuals and politicians. This occasion is certain to be memorable. Come out to welcome Michael and hear his thoughtful interpretation on the critical issues of our time. Participate in this unique opportunity to probe his thinking about the challenges this country faces. Share with Michael Ignatieff your ideas on the Canada we have and the Canada we want for our children and grandchildren.

Tickets for this event are \$200 per person. Tax receipts will be issued for an amount net of costs. Payment **must** be by advance cheque or personal credit card.
