Office in Sechelt. The rent was \$960.00 per month plus GST, working out to over \$1,000 per month. A damage deposit was supplied by Blair's mother in law - Mrs. Lougheed.

No where on the financial report to elections Canada, does it mention Sechelt office space.

Re: Sechelt Cowrie Campaign Office

November 25th, 2005

Doug,

Attached please find a copy of the lease agreement for Blair's Campaign office in Sechelt.

Agent for Mr. Fawkes, Mr. E. Wade, requires payment by cheque(s) either post dated or in full, plus a separate cheque for the amount of \$1,000.00 for damage deposit, before he will give us access to the premises. He also requires to see a copy of the necessary insurance and that we have contacted BCHydro covering the time the campaign is using the office.

I am making arrangements with Blair to provide the necessary funds by cheque(s) to cover the rent and deposit.

**The contract may be couriered back up c/o myself at:
6434 Samron Road
Sechelt, V0N3A0**

I trust that you will provide Mr. Wade the necessary documentation for insurance and hydro by Monday afternoon or before, so as the campaign office may open on schedule (as per Liberal Party Central request). Please keep me informed as to the couriering of the contract and providing the Hydro and Insurance documentation to Mr. Wade.

Thanks
